

Pain in Animals Workshop 2017:

*Creating a Roadmap for
Measuring Chronic Pain
in Dogs and Cats*
Inaugural Meeting
November 29-30, 2017

www.paw2017.com

National Institutes of Health

Bethesda, MD
Natcher Conference Center
(Building 45)
Rooms E1/E2

Facilitating therapeutic options in
treating pain and promoting the
development of validated methods to
measure chronic pain in companion
animals.

*Promoting translational research for
developing new therapies for humans.*

The meeting will bring together
industry, regulatory and pain
researchers. Plan to formulate a
roadmap of research and priorities for
treating chronic pain.
